AMENDING THE SAN FRANCISCO ADMINISTRATIVE CODE BY AMENDING SECTIONS 37.2 AND 37.8 THEREOF TO SUBJECT RAP RENTAL UNITS IN RAP AREAS DESIGNATED ON OR AFTER JULY 1, 1977 TO VACANCY DECONTROL CONSISTENT WITH THE RESIDENTIAL RENT STABILIZATION AND ARBITRATION ORDINANCE.

Be it ordained by the People of the City and County of San Francisco:

Section 1. The San Francisco Administrative Code is hereby amended by amending Sections 37.2 and 37.8 thereof to read as follows:

Sec. 37.2. Definitions.

(a) Base Rent. That rent which is charged for a rental unit on March 1, 1982; provided, however that where a tenant has petitioned for a rental arbitration hearing pursuant to Section 37.8 of this chapter prior to the effective date of this subsection, the base rent shall be that rent which is set by the hearing officer. Base rent for tenants of RAP rental units in areas designated on or after July 1, 1977 shall be that rent which was established pursuant to Section 32.73-1 of the San Francisco Administrative Code. Base rent shall not include any costs for capital improvements and rehabilitation which have been certified by the Real Estate Department under Section 37.7 of this chapter. Rent increases attributable to the Chief Administrative Officer's amortization of a RAP loan in an area designated on or after July 1, 1977 shall not be included in the base rent.

(b) Board. The Residential Rent Stabilization and

Arbitration Board.

(c) Capital Improvements. Those improvements which materially add to the value of the property, appreciably prolong its useful life, or adapt it to new uses, and which may be amortized over the useful life of the improvement of the building in accordance with the Internal Revenue Code and regulations pursuant thereto.

(d) CPI. Consumer Price Index for all Urban Consumers for the San Francisco-Oakland Metropolitan Area, U.S. Department of Labor.

(e) Hearing Officer. A person, designated by the board, who arbitrates rental increase disputes.

(f) Housing Services. Services provided by the landlord connected with the use or occupancy of a rental unit including, but not limited to, repairs, replacement, maintenance, painting, light, heat, water, elevator service, laundry facilities and privileges, janitor service, refuse removal, furnishings, telephone, parking and any other benefits, privileges or facilities.

(g) Landlord. An owner, lessor, sublessor, who receives or is entitled to receive rent for the use and occupancy of any residential rental unit or portion thereof in the City and County of San Francisco, and the agent, representative or succesor of any of the foregoing.

(h) Member. A member of the Residential Rent Stabilization and Arbitration Board.

(i) Rap. Residential Rehabilitation Loan Program (Chapter 32, San Francisco Administrative Code).

(j) RAP Rental Units. Residential dwelling units subject to RAP loans purusant to Chapter 32, San Francisco Administrative

Code.

(k) Real Estate Department. A city department in the City and County of San Francisco.

(l) Rehabilitation Work. Any rehabilitation or repair work done by the landlord with regard to a rental unit, or to the common areas of the structure containing the rental unit, which work was done in order to be in compliance with State or local law, or was done to repair damage resulting from fire, earthquake or other casualty or natural disaster.

(m) Rent. The consideration, including any bonus, benefits or gratuity, demanded or received by a landlord for or in connection with the use or occupancy of a rental unit, or the assignment of a lease for such a unit, including but not limited to monies demanded or paid for parking, furnishings, food service, housing services of any kind, or subletting.

(n) Rent Increases. Any additional monies demanded or paid for rent as defined in item (m) above, or any reduction in housing services without a corresponding reduction in the monies demanded or paid for rent; provided, however, that where the landlord has been paying the tenant's utilities and cost of those utilities increase, the landlord's passing through to the tenant of such increased costs does not constitute a rent increase.

(o) Rental Units. All residential dwelling units in the City and County of San Francisco together with the land and appurtenant buildings thereto, and all housing services, privileges, furnishings and facilities supplied in connection with the use or occupancy thereof, including garage and parking facilities. The term shall not include:

(1) housing accommodations in hotels, motels, inns, tourist houses, rooming and boarding houses, provided that at such time as an accommodation has been occupied by a tenant for thirty-two (32) continuous days or more, such accommodation shall become a rental unit subject to the provisions of this chapter; provided further, no landlord shall bring an action to recover possession of such unit in order to avoid having the unit come within the provisions of this chapter. An eviction for a purpose not permitted under Sec. 37.9(a) shall be deemed to be an action to recover possession in order to avoid having a unit come within the provisions of this chapter;

(2) dwelling units in non-profit cooperatives owned, occupied and controlled by a majority of the residents

(3) housing accommodations in any hospital, convent, monastery, extended care facility, asylum, non-profit home for the aged, or in dormitories owned and operated by an institution of higher education, a high school, or an elementary school;

(4) dwelling units whose rents are controlled or regulated by any government unit, agency or authority, excepting those unsubsidized and/or unassisted units which are insured by the United States Department of Housing and Urban Development;

(5) owner-occupied buildings containing four (4) residential rental units or less, wherein owner has resided for at least six continuous months;

(6) rental units located in a structure for which a certificate of occupancy was first issued after the effective date of this ordinance;

(7) dwelling units in a building which has undergone

BOARD OF SUPERVISORS

substantial rehabilitation after the effective date of this ordinance; provided, however, that RAP rental units are not subject to this exemption.

(p) Substantial Rehabilitation. The renovation, alteration or remodeling of residential units of 50 or more years of age which have been condemned or which do not qualify for certificates of occupancy or which require substantial renovation in order to conform the building to contemporary standards for decent, safe and sanitary housing. Substantial rehabilitation may vary in degree from gutting and extensive reconstruction extensive improvements that cure substantial deferred maintenance. Cosmetic improvements alone such as painting, decorating and minor repairs, or other work which can be performed safely without having the unit vacated do not qualify as substantial rehabilitation.

(q) Tenant. A person entitled by written or oral agreement, sub-tenancy approved by the landlord, or by suffrance, to occupy a residential dwelling unit to the exclusion of others.

Section 37.8. Arbitration of Rental Increase Adjustments.

(a) Authority of Board and Hearing Officers. In accordance with such guidelines as the board shall establish, the board and designated hearing officers shall have the authority to arbitrate rental increase adjustments and to administer the rent increase protest procedures with respect to RAP rental units as set forth in Chapter 32 of the San Francisco Administrative Code.

(b) Request for Arbitration.

(1) Landlords. Landlords who seek to impose rent increases which exceed the limitations set forth in Section 37.3 above must request an arbitration hearing as set forth in this section. Burden of

proof is on the landlord.

(2) Tenants.

(a) ((Notwithstanding Section 37.3,)) Tenants of ((non-RAP)) rental units and tenants of RAP rental units in areas designated on or after July 1, 1977 may request arbitration hearings where a landlord has substantially decreased services without a corresponding reduction in rent and/or has failed to perform ordinary repair and maintenance under state or local law and/or has failed to provide the tenant with a clear explanation of the charges for gas and electricity passed through to the tenant. Burden of proof is on the tenant.

(((b) Tenants of RAP rental units in areas designated on or after July 1, 1977 may petition for a hearing where the landlord has noticed an increase which exceeds the limitations set forth in Section 37.3 above.))

(b) Tenants of RAP rental units in areas designated prior to July 1, 1977 may petition for a hearing where the landlord has noticed an increase which exceeds the limitations set forth in Section 32.73 of the San Francisco Administrative Code. After a vacancy has occurred in ((any)) a RAP rental unit((,)) in said areas, a new tenant of said unit may petition for a hearing where the landlord has demanded and/or received a rent for that unit which exceeds the ((applicable)) rent increase limitation((s)) set forth in ((Chapter 32 of the San Francisco Administrative Code.)) Section 32.73 of the

San Francisco Administrative Code. Burden of proof is on the landlord.

(c) Procedure for Landlord Petitioners.

(1) Filing. The request for arbitration must be filed on a petition form prescribed by the board and shall be accompanied by such supporting material as the board shall prescribe, including but not limited to justification for the proposed rental increase. All applications must be accompanied by a filing fee of fifteen dollars ($15) per rental unit, provided that landlord in any consolidated case shall pay a fee not to exceed $150 in any single case, said fees to be reviewed by the board and the cost analysis of the first six (6) months be prepared and submitted to the Board of Supervisors not later than seven (7) months after the effective date of said amendment.

(2) Filing Date. The petition must be filed prior to the mailing or delivering to the tenant or tenants legal notice of the rental increase exceeding the limitations as defined in Section 37.3.

(3) Effect of Timely Filing of Petition. Provided a completed petition is timely filed, that portion of the requested rental increase which exceeds the limitations set forth in Section 37.3 and has not been certified as a justifiable increase by the Real Estate Department in accordance with Section 37.7 is inoperative until such time as the hearing officer makes findings of fact at the conclusion of the arbitration hearing.

(4) Notice to Parties. The board shall calendar the petition for hearing before a designated hearing officer and shall give written notice of the date to the parties at least ten (10) days prior to the hearing.

(d) Procedure for Tenant Petitioners.

(1) Filing. The request for arbitration must be filed on a petition form prescribed by the board and must be accompanied by such supporting material as the board shall prescribe, including but not limited to a copy of the landlord's notice of rent increase. If the tenant petitioner has received a copy of Real Estate Department findings of fact regarding his rental unit in accordance with Section 37.7, such letter must accompany the petition.
All applications must be accompanied by a filing fee of ten dollars ($10); provided, however, the fee shall be waived for an individual who files an affidavit under penalty of perjury stating that he or she is an indigent person who does not have and cannot obtain the money to pay the filing fee without using money needed for the necessities of life. A tenant may deduct the ten dollar ($10) filing fee from the rent where the tenant prevails at the hearing.

(2) Notice to Parties. The board shall calendar the petition for hearing before a designated hearing officer and shall give written notice of the date to the parties at least ten (10) days prior to the hearing. Responses to a petition for hearing may be submitted in writing.

(e) Hearings.

(1) Time of Hearing. The hearing must be held within forty-five (45) days of the filing of the petition. The level of housing services provided to tenants' rental units shall not be decreased during the period between the filing of the petition and the conclusion of the hearing.

(2) Consolidation. To the greatest extent possible, hearings with respect to a given building shall be consolidated.

(3) Conduct of Hearing. The hearing shall be conducted by a hearing officer designated by the board. Both parties may offer such documents, testimony, written declarations or other evidence as may be pertinent to the proceedings. A record of the proceedings must be maintained for purposes of appeal.

(4) Determination of the Hearing Officer: Rental Units. Based upon the evidence presented at the hearing and upon such relevant factors as the board shall determine, the hearing officer shall make findings as to whether or not the landlord's proposed rental increase exceeding the limitations set forth in Section 37.3 is justified or whether or not the landlord has effected a rent increase through a reduction in services or has failed to perform ordinary repair and maintenance as required by state or local law. In making such findings, the hearing officer shall take into consideration the following factors:

(A) Increases or decreases in operating and

maintenance expenses, including, but not limited to, real estate taxes, sewer service charges, janitorial service, refuse removal, elevator service, security system, and debt service; provided however, when a unit is purchased after the effective date of this ordinance, and this purchase occurs within two (2) years of the date of the previous purchase, consideration shall not be given to that portion of increased debt service which has resulted from a selling price which exceeds the seller's purchase price by more than the percentage increase in the "Consumer Price Index for All Urban Consumers for the San Francisco-Oakland Metropolitan Area, U.S. Department of Labor" between the date of previous purchase and the date of the current sale, plus the cost of capital improvements or rehabilitation work made or performed by the seller.

(B) The past history of increases in the rent for the unit and the comparison of the rent for the unit with rents for comparable units in the same general area.

(C) Any findings which the Real Estate Department has made pursuant to Section 37.7 with respect to the unit.

(D) Failure to perform ordinary repair, replacement and maintenance in compliance with applicable state and local law.

(E) Any other such relevant factors as the board shall specify in rules and regulations.

(5) Determination of the Hearing Officer: RAP Rental Units.

(A) Rap Rental units in RAP areas designated prior to July 1, 1977. The hearing officer shall make findings as to whether or not the noticed or proposed rental increase exceeds the rent increase limitations set forth in Section 32.73 of the San Francisco Administrative Code. In making such findings, the hearing officer shall apply the rent increase limitations set forth in Chapter 32 of the San Francisco Administrative Code and all rules and regulations promulgatd pursuant thereto. The hearing officer shall consider the evidence presented at the hearing. The burden of proof shall be on the landlord.

(B) Rap rental units in RAP areas designated on or after July 1, 1977. The hearing officer shall make findings with respect to rent increases exceeding the limitations as set forth in Section 37.3 of this chapter. In making such findings, the hearing officer shall take into consideration the factors set forth in subsection (4) above and shall consider evidence presented at the hearing. Burden of proof is on the landlord.

(6) Findings of Fact. The hearing officer shall make written findings of fact, copies of which shall be mailed to the parties with ten (10) days of the hearing.

(7) Payment or Refund of Rents to Implement Arbitration Decision. If the hearing officer finds that all or any portion of the heretofore inoperative rent increase is justified, the tenant petitioner shall be ordered to pay all or a portion of that cumulative amount to the landlord within five (5) days of the mailing of the findings of fact or said amount may be ordered added to future rents, or that all or any portion of a heretofore operative rent increase is not justified, the landlord shall be ordered to pay that cumulative amount to the tenant petitioner within five days of the mailing of the findings of fact or said amount may be ordered offset against future rents.

(8) Finality of Hearing Officer's Decision. The decision of the hearing officer shall be final unless the board vacates his decision on appeal.

(f) Appeals.

(1) Time and Manner. An appeal to the board from the determination of the hearing officer may be made within fifteen (15) days of the mailing of the findings of fact. Each tenant appeal shall be accompanied by a ten dollar ($10) filing fee; provided, however, the fee shall be waived for an individual who files an affidavit under penalty of perjury stating that he or she is an indigent person who does not have and cannot obtain the money to pay the filing fee without using money needed for the necessities of life. Each landlord appeal shall be accompanied by a ten dollar ($10) per unit filing fee. The appeal shall be in writing and must state why appellant believes there was either error or

abuse of discretion on the part of the hearing officer. The filing of an appeal will not stay the effect of the hearing officer's decision.

(2) Record on Appeal. Upon receipt of an appeal, the entire administrative record of the matter, including the appeal, shall be filed with the board.

(3) Appeals. The board shall, in its discretion, hear appeals. In deciding whether or not to hear a given appeal, the board shall consider, among other factors, fairness to the parties, hardship to either party, and promoting the policies and purposes of this chapter, in addition to any written comments submitted by the hearing officer whose decision is being challenged. The board may also review other material from the administrative record of the matter as it deems necessary. A vote of three (3) members shall be required in order for an appeal to be heard.

(4) Remand to Hearing Officer without Appeal Hearing. In those cases where the board is able to determine on the basis of the documents before it that the hearing officer has erred, the board may remand the case for further hearing in accordance with its instructions without conducting an appeal hearing. Both parties shall be notified as to the time of the re-hearing, which shall be conducted within thirty (30) days of remanding by the board. In those cases where the board is able to determine on the basis of the documents before it that the hearing officer's findings contain numerical or clerical inaccuracies, or require clarification, the

board may continue the hearing for purposes of re-referring the case to said hearing officer in order to correct the findings.

(5) Time of Appeal Hearing; Notice to Parties. Appeals accepted by the board shall be heard within forty-five (45) days of the filing of an appeal. Within thrity (30) days of the filing of an appeal, both parties shall be notified in writing as to whether or not the appeal has been accepted. If the appeal has been accepted, the notice shall state the time of the hearing and the nature of the hearing. Such notice must be mailed at least ten (10) days prior to the hearing.

(6) Appeal Hearing; Decision of the Board. At the appeal hearing, both appellant and respondent shall have an opportunity to present oral testimony and written documents in support of their positions. After such hearing and after any further investigation which the board may deem necessary the board may, upon hearing the appeal, affirm, reverse or modify the hearing officer's decision or may remand the case for further hearing in accordance with its findings. The board's decision must be rendered within forty-five (45) days of the hearing and the parties must be notified of such decision.

(7) Notification of the Parties. In accordance with item (6) above, parties shall receive written notice of the decision. The notice shall state that this decision is final.

ORDINANCE NO. 112-83

AMENDING THE SAN FRANCISCO ADMINISTRATIVE CODE BY AMENDING SECTIONS 32.69, 32.73-1, and 32.73-2 THEREOF TO SUBJECT RAP RENTAL UNITS IN SAID AREAS TO VACANCY DECONTROL CONSISTENT WITH THE RESIDENTIAL RENT STABILIZATION AND ARBITRATION ORDINANCE.

Be it ordained by the People of the City and County of San Francisco:

Section 1. The San Francisco Administrative Code is hereby amended by amending Sections 32.69, 32.73-1 and 32.73-2 thereof to read as follows:

Sec. 32.69 Tenant Moving Costs and Right of First Refusal

All conventional RAP loan agreements shall provide that, in the case of dwelling units which must be vacated because of residential rehabilitation to be performed on the structures where they are located:

(1) A tenant who must vacate a dwelling unit shall have the right of first refusal to occupy that unit at a rent adjusted in accordance with the San Francisco Administrative Code when rehabilitation of the property is completed;

(2) The property owner shall give each tenant affected written notice thirty days prior to the date the tenant must vacate of the following:

(a) That the tenant has the right to first refusal to reoccupy the unit vacated when rehabilitation of the property is completed;

(b) That relocation assistance may be available and that relocation information may be obtained from the Chief Administrative Officer, Room 289, City Hall, San Francisco;

(c) That the tenant may be subject to certain protections under the Rent Ordinance and that information concerning such protection is available from the Rent Board, 170 Fell Street, Room 16, San Francisco;

(3) A copy of the notice specified in clause (2) shall be forwarded to the Rent Board.

Sec. 32.73-1. Rent Increase Limitations for Areas Designated on or After July 1, 1977.

(a) The property owner shall agree that during the time any conventional RAP loan is outstanding, rent for a tenant occupying a dwelling unit in the rehabilitated residence shall not exceed that rent which is allowable under Chapter 37 of the San Francisco Administrative Code.

(b) At the time the RAP loan is recorded, the Chief Administrative Officer shall notify the owner and each tenant of the allowable rent increase based upon the amortized loan. If a tenant believes that the allowable rent increase is inaccurate, the tenant may file a complaint with the Chief Administrative Officer within 30 days of notification. The procedures for handling the complaint follow:

(1) The Chief Administrative Officer shall investigate the tenant's complaint and shall render a decision not more than 30 days after receiving the complaint;

(2) If the Chief Administrative Officer determines that the complaint is valid, the property owner shall reduce the rent in accordance with this determination and rebate the excess amount collected within 15 days of notice of the decision.

(b) The Chief Administrative Officer shall notify the owner, each tenant and the Rent Board of the allowable rent increases as established in subsection (a) above. An owner shall only impose subsequent rent increases in accordance with the provisions set forth in Chapter 37 of the San Francisco Administrative Code.

(Underground Utility Districts)

AMENDING ORDINANCE 556-80 TO EXPAND AN UNDERGROUND DISTRICT ON CERTAIN STREETS IN THE NORTHERN WATERFRONT AREA .

Be it ordained by the People of the City and County of San Francisco:

Section 1. Ordinance 556-80 is hereby amended to read as follows:

SEC. 1. In accordance with the provisions of Sections 901 to 943, inclusive, of Article 18, Chapter X, Part II, of the San Francisco Municipal Code (Public Works Code), the Board of Supervisors does hereby create the following underground district:

UNDERGROUND DISTRICT NO. 313

Green Street from the westerly line of The Embarcadero to the esterly line of Calhoun Terrace; Front Street from the northerly line of Broadway to the southerly line of Union Street; Vallejo Street from the easterly line of Front Street to the westerly line of The Embarcadero, Battery Street from the northerly line of Green Street to the southerly line of Union Street; Sansome Street from the northerly line of Green Street to the southerly line of Union Street; Icehouse Alley and Commerce/Street, all.

SEC. 2. The undergrounding of facilities within this underground district is in the general public interest because it eliminates a heavy concentration of overhead wires in a scenic area and was requested by public petition. The expansion of Front Street and the addition of Vallejo Street were requested by public petition but, through an error of omission, were not included in this Ordinance as originally passed on December 1, 1980.

SEC. 3. All work in connection with the undergrounding of facilities lying within this underground district and subject to the laws with reference to underground districts is to be

(SPECIAL USE DISTRICTS)

AMENDING SECTIONS 242.2 THROUGH 242.10, INCLUSIVE, OF PART II, CHAPTER II OF THE SAN FRANCISCO MUNICIPAL CODE (CITY PLANNING CODE), TO EXTEND SPECIAL USE CONTROLS FOR AN ADDITIONAL ONE YEAR PERIOD.

Note: Additions are indicated by underlining; deletions are indicated by ((double parentheses)).

Be it ordained by the people of the City and County of San Francisco:

Section 1. Article 2 of Part II, Chapter II of the San Francisco Municipal Code (City Planning Code) is hereby amended by amending Section 242.2 to read as follows:

Section 242.2 Sacramento Street Special Use District. In order to provide for an established shopping area with a unique mixture of local, citywide and regional sales and services and a special identity, there shall be a Sacramento Street Special Use District, a Neighbornood Commercial Special Use District, as designated on Sectional Map 3SU of the Zoning Map. The original of said map is on file with the Clerk of the Board of Supervisors under File No. 325-80-1.

(a) This special use district will be applicable until April 19,((1983)) 1984, after which period this Section 242.2 will be of no further force or effect.

(b) Specific findings and purposes. This ordinance is intended to carry out the policies for orderly growth in the neighbornood commercial districts in the Commerce and Industry element of the San Francisco Comprehensive Plan and to further the general purposes of zoning legislation as set forth in Section 101 of this Code, to promote the health, safety and general welfare of the public through:

1. Preservation of the existing scale and mix of commercial uses along Sacramento Street in order to maintain the livability of the surrounding residential area as well as the economic viability of the street.

2. Establishment of performance standards for certain types of commercial uses which are concentrated along the street in a manner potentially harmful to residential livability and the maintenance of small-scale neighborhood-serving businesses.

3. Establishment of upper story controls to protect the existing housing stock and preserve the historical residential-commercial character on the street.

4. Establishment of certain businesses as special uses in order to allow for the orderly development of the street and to prevent any damage to the neighborhood character of the street with its special mix of food and beverage service, entertainment, specialty shops and professional services.

5. Establishment of density thresholds for certain commercial uses beyond which special review is required to assure maintenance of a balance of sales and services to the neighborhood, citywide and regional customers and users of the street and prevention of excessive noise, traffic congestion and parking demand and other conditions disruptive of the adjacent residential neighborhood.

6. Prohibition of "drive-up" type uses, and establishment of review procedures for off-street parking facilities, which uses would cause interference with an already congested traffic flow and would be out of character with the special urban character of this unique shopping area.

These standards shall govern the adoption of guidelines by the City Planning Commission to be applied by the Zoning Administrator, the City Planning Commission, and the Board of Supervisors, on appeal, in reviewing applications for special uses.

(c) Controls. The following provisions shall apply within such special use district:

1. Floor area, frontage, off-street parking, and outdoor activity shall be permitted as principal uses only within the standards set forth in Table 5B. Applications that exceed the standards therein set forth shall be permitted as special uses after review under applicable criteria set forth in this Code and Guidelines adopted by the City Planning Commission for such uses.

2. Second story commercial office uses shall be permitted as principal

uses only within the standards set forth in Table 5B. Second story office applications that do not meet the standards therein set forth shall be permitted as special uses after review under applicable criteria set forth in this Code and Guidelines adopted by the City Planning Commission. Second story retail uses shall not be permitted. Third story and above commercial uses (retail and office) shall not be permitted.

3. Bars, fast food outlets, financial institutions, places of entertainment, restaurants, and stores selling liquor for off-premises consumption may be permitted within the standards set forth in Table 5B as permitted uses where the threshold number has not been exceeded, or as special uses otherwise.

4. No permitted use shall include an establishment of the "drive-in" type, serving customers waiting in parked motor vehicles.

5. Any application for special use authorization for establishment, alteration or enlargement of a cabaret, dance hall, hotel, or for off-street parking accessory to non-residential uses, shall be reviewed, and approved or disapproved by the City Planning Commission which shall consider all relevant criteria set forth in Section 312 of this Code before taking action.

Section 2. Article 2 of Part II, Chapter II of the San Francisco Municipal Code (City Planning Code) is hereby amended by amending Section 242.3 to read as follows:

Section 242.3 Fillmore Street Special Use District. In order to provide for an established shopping area with a unique mixture of local, citywide and regional sales and services and a special identity, there shall be an Upper Fillmore Street Special Use District, a Neighborhood Commercial Special Use District, as designated on Sectional Map 2SU of the Zoning Map. The original of said map is on file with the Clerk of the Board of Supervisors under File No. 325-80-2.

(a) This special use district will be applicable until April 19,((1983)) 1984, after which period this Section 242.3 will be of no further force or effect.

(b) Specific findings and purposes. This ordinance is intended to carry out the policies for orderly growth in the neighborhood commercial districts in the Commerce and Industry element of the San Francisco Comprehensive Plan and to further the general purposes of zoning legislation as set forth in Section 101 of this Code, to promote the health, safety and general welfare of the public through:

1. Preservation of the existing scale and mix of commercial uses along Fillmore Street in order to maintain the livability of the surrounding residential area as well as the economic viability of the street.

2. Establishment of performance standards for certain types of commercial uses which are concentrated along the street in a manner potentially harmful to residential livability and the maintenance of small-scale neighborhood-serving businesses.

3. Establishment of upper story controls to protect the existing housing stock and preserve the historical residential-commercial character on the street.

4. Establishment of certain businesses as special uses in order to allow for the orderly development of the street and to prevent any damage to the neighborhood character of the street with its special mix of

food and beverage service, entertainment, specialty shops and professional services.

5. Establishment of density thresholds for certain commercial uses beyond which special review is required to assure maintenance of a balance of sales and services to the neighborhood, citywide and regional customers and users of the street and prevention of excessive noise, traffic congestion and parking demand and other conditions disruptive of the adjacent residential neighborhood.

6. Prohibition of "drive-up" type uses, and establishment of review procedures for off-street parking facilities, which uses would cause interference with an already congested traffic flow and would be out of character with the special urban character of this unique shopping area.

These standards shall govern the adoption of guidelines by the City Planning Commission to be applied by the Zoning Administrator, the City Planning Commission, and the Board of Supervisors, on appeal, in reviewing applications for special uses.

(c) Controls. The following provisions shall apply within such special use district:

1. Floor area, frontage, off-street parking, and outdoor activity shall be permitted as principal uses only within the standards set forth in Table 5C. Applications that exceed the standards therein set forth shall be permitted as special uses after review under applicable criteria set forth in this Code and Guidelines adopted by the City Planning Commission for such uses.

2. Second story commercial office uses shall be permitted as principal uses only within the standards set forth in Table 5C. Second story office applications that do not meet the standards therein set forth shall be permitted as special uses after review under applicable criteria set forth in this Code and Guidelines adopted by the City Planning Commission. Second story commercial retail uses shall not be permitted. Third story and above commercial uses shall not be permitted, provided, however, commercial

office uses shall be permitted when said third story (and above) is newly constructed and does not displace residential units.

3. Bars, fast food outlets, financial institutions, places of entertainment, restaurants and stores selling liquor for off-premises consumption may be permitted within the standards set forth in Table 5C as permitted uses where the threshold number has not been exceeded, or as special uses otherwise.

4. No permitted use shall include an establishment of the "drive-in" type, serving customers waiting in parked motor vehicles.

5. Any application for special use authorization for establishment, alteration or enlargement of a cabaret, dance hall, hotel, or for off-street parking accessory to non-residential uses, shall be reviewed, and approved or disapproved by the City Planning Commission which shall consider all relevant criteria set forth in Section 312 of this Code before taking action.

Section 3. Article 2 of Part II, Chapter II of the San Francisco Municipal Code (City Planning Code) is hereby amended by amending Section 242.4 to read as follows:

Section 242.4 Haight Street Special Use District. In order to provide for an established shopping area with a unique mixture of local, citywide and regional sales and services and a special identity, there shall be a Haight Street Special Use District, a Neighborhood Commercial Special Use District, as designated on Sectional Map 5SU of the Zoning Map. The original of said map is on file with the Clerk of the Board of Supervisors under File No. 325-80-3.

(a) This special use district will be applicable until April 19,((1983)) 1984, after which period this Section 242.4 will be of no further force or effect.

(b) Specific findings and purposes. This ordinance is intended to carry out the policies for orderly growth in the neighborhood commercial districts in the Commerce and Industry element of the San Francisco Comprehensive Plan and to further the general purposes of zoning legislation as set forth in Section 101 of this Code, to promote the health, safety and general welfare of the public through:

1. Preservation of the existing scale and mix of commercial uses along Haight Street in order to maintain the livability of the surrounding residential area as well as the economic viability of the street.

2. Establishment of performance standards for certain types of commercial uses which are concentrated along the street in a manner potentially harmful to residential livability and the maintenance of small-scale neighborhood-serving businesses.

Section 4. Article 2 of Part II, Chapter II of the San Francisco Municipal Code (City Planning Code) is hereby amended by amending Section 242.5 to read as follows:

Section 242.5 Castro Street - Eureka Valley Special Use District. In order to provide for an established shopping area with a unique mixture of local, citywide and regional sales and services and a special identity, there shall be a Castro Street - Eureka Valley Special Use District, a Neighborhood Commercial Special Use District, as designated on Sectional Map 7SU of the Zoning Map. The original of said map is on file with the Clerk of the Board of Supervisors under File No. 325-80-4.

(a) This special use district will be applicable until April 19,((1983)) 1984, after which period this Section 242.5 will be of no further force or effect.

(b) Specific findings and purposes. This ordinance is intended to carry out the policies for orderly growth in the neighborhood commercial districts in the Commerce and Industry element of the San Francisco Comprehensive Plan and to further the general purposes of zoning legislation as set forth in Section 101 of this Code, to promote the health, safety and general welfare of the public through:

1. Preservation of the existing scale and mix of commercial uses along Castro and 18th Streets in order to maintain the livability of the surrounding residential area as well as the economic viability of the street.

2. Establishment of performance standards for certain types of commercial uses which are concentrated along the street in a manner potentially harmful to residential livability and the maintenance of small-scale neighborhood-serving businesses.

3. Establishment of upper story controls to protect the existing housing stock and preserve the historical residential-commercial character on the street.

4. Establishment of certain businesses as special uses in order to allow for the orderly development of the street and to prevent any damage to

the neighborhood character of the street with its special mix of food and beverage service, entertainment, specialty shops and professional services.

5. Establishment of density thresholds for certain commercial uses beyond which special review is required to assure maintenance of a balance of sales and services to the neighborhood, citywide and regional customers and users of the street and prevention of excessive noise, traffic congestion and parking demand and other conditions disruptive of the adjacent residential neighborhood.

6. Prohibition of "drive-up" type uses, and establishment of review procedures for off-street parking facilities, which uses would cause interference with an already congested traffic flow and would be out of character with the special urban character of this unique shopping area.

These standards shall govern the adoption of guidelines by the City Planning Commission to be applied by the Zoning Administrator, the City Planning Commission, and the Board of Supervisors, on appeal, in reviewing applications for special uses.

(c) Controls. The following provisions shall apply within such special use district:

1. Floor area, frontage, off-street parking, and outdoor activity shall be permitted as principal uses only within the standards set forth in Table 5E. Applications that exceed the standards therein set forth shall be permitted as special uses after review under applicable criteria set forth in this Code and Guidelines adopted by the City Planning Commission for such uses.

2. Second story commercial office uses shall be permitted as principal uses only within the standards set forth in Table 5E. Second story office applications that do not meet the standards therein set forth and second story retail uses shall be permitted as special uses after review under applicable criteria set forth in this Code and Guidelines adopted by the City Planning Commission. Third story and above commercial uses (retail and office) shall

not be permitted.

3. Bars, fast food outlets, financial offices, places of entertainment, restaurants and stores selling liquor for off-premises consumption may be permitted within the standards set forth in Table 5E as permitted uses where the threshold number has not been exceeded, or as special uses otherwise.

4. No permitted use shall include an establishment of the "drive-in" type, serving customers waiting in parked motor vehicles.

5. Any application for special use authorization for establishment, alteration or enlargement of a cabaret, dance hall, hotel, or for off-street parking accessory to non-residential uses, shall be reviewed, and approved or disapproved by the City Planning Commission which shall consider all relevant criteria set forth in Section 312 of this Code before taking action.

Section 7. Article 2 of Part II, Chapter II of the San Francisco Municipal Code (City Planning Code) is hereby amended by amending Section 242.8 to read as follows:

Section 242.8 24th Street - Noe Valley Special Use District. In order to provide for an established shopping area with a unique mixture of local, citywide and regional sales and services and a special identity, there shall be a 24th Street - Noe Valley Special Use District, a Neighborhood Commercial Special Use District, as designated on Sectional Map 7SU of the Zoning Map. The original of said map is on file with the Clerk of the Board of Supervisors under File No. 325-80-7.

(a) This special use district will be applicable until April 19,((1983)) 1984, after which period this Section 242.8 will be of no further force or effect.

(b) Specific findings and purposes. This ordinance is intended to carry out the policies for orderly growth in the neighborhood commercial districts in the Commerce and Industry element of the San Francisco Comprehensive Plan and to further the general purposes of zoning legislation as set forth in Section 101 of this Code, to promote the health, safety and general welfare of the public through:

1. Preservation of the existing scale and mix of commercial uses along 24th Street in order to maintain the livability of the surrounding residential area as well as the economic viability of the street.

2. Establishment of performance standards for certain types of commercial uses which are concentrated along the street in a manner potentially harmful to residential livability and the maintenance of small-scale neighborhood-serving businesses.

3. Establishment of upper story controls to protect the existing housing stock and preserve the historical residential-commercial character on the street.

4. Establishment of certain businesses as special uses in order to allow for the orderly development of the street and to prevent any damage to

the neighborhood character of the street with its special mix of food and beverage service, entertainment, specialty shops and professional services.

5. Establishment of density thresholds for certain commercial uses beyond which special review is required to assure maintenance of a balance of sales and services to the neighborhood, citywide and regional customers and users of the street and prevention of excessive noise, traffic congestion and parking demand and other conditions disruptive of the adjacent residential neighborhood.

6. Prohibition of "drive-up" type uses, and establishment of review procedures for off-street parking facilities, which uses would cause interference with an already congested traffic flow and would be out of character with the special urban character of this unique shopping area.

These standards shall govern the adoption of guidelines by the City Planning Commission to be applied by the Zoning Administrator, the City Planning Commission, and the Board of Supervisors, on appeal, in reviewing applications for special uses.

(c) Controls. The following provisions shall apply within such special use district:

1. Floor area, frontage, off-street parking, and outdoor activity shall be permitted as principal uses only within the standards set forth in Table 5H. Applications that exceed the standards therein set forth shall be permitted as special uses after review under applicable criteria set forth in this Code and Guidelines adopted by the City Planning Commission for such uses.

2. Second story commercial office uses shall be permitted as principal uses only within the standards set forth in Table 5H. Second story office use applications that do not meet the standards therein set forth shall be permitted as special uses after review under applicable criteria set forth in this Code and Guidelines adopted by the City Planning Commission. Third story and above commercial uses (retail and office) shall not be permitted.

3. Bars, fast food outlets, financial offices, places of entertainment, restaurants and stores selling liquor for off-premises consumption may be permitted within the standards set forth in Table 5H as permitted uses where the threshold number has not been exceeded, or as special uses otherwise.

4. No permitted use shall include an establishment of the "drive-in" type, serving customers waiting in parked motor vehicles.

5. Any application for special use authorization for establishment, alteration or enlargement of a cabaret, dance hall, hotel, or for off-street parking accessory to non-residential uses, shall be reviewed, and approved or disapproved by the City Planning Commission which shall consider all relevant criteria set forth in Section 312 of this Code before taking action.

Section 8. Article 2 of Part II, Chapter II of the San Francisco Municipal Code (City Planning Code) is hereby amended by amending Section 242.9 to read as follows:

- Section 242.9 24th Street - Mission Special Use District. In order to provide for an established shopping area with a unique mixture of local, citywide and regional sales and services and a special identity, there shall be a 24th Street - Mission Special Use District, a Neighborhood Commercial Special Use District, as designated on Sectional Map 10SU of the Zoning Map. The original of said map is on file with the Clerk of the Board of Supervisors under File No. 325-80-8.

(a) This special use district will be applicable until April 19,((1983)) 1984, after which period this Section 242.9 will be of no further force or effect.

(b) Specific findings and purposes. This ordinance is intended to carry out the policies for orderly growth in the neighborhood commercial districts in the Commerce and Industry element of the San Francisco Comprehensive Plan and to further the general purposes of zoning legislation as set forth in Section 101 of this Code, to promote the health, safety and general welfare of the public through:

AMENDMENT OF THE WHOLE PRESENTED IN COMMITTEE 3/2/83

FILE NO. 152-83 ORDINANCE NO. 139-83

(Municipal Bonds)

AMENDING THE SAN FRANCISCO ADMINISTRATIVE CODE BY ADDING CHAPTER 48 PROVIDING FOR THE ECONOMIC DEVELOPMENT REVENUE BOND LAW OF THE CITY AND COUNTY OF SAN FRANCISCO AUTHORIZING THE ISSUANCE OF REVENUE BONDS FOR THE PURPOSE OF PROVIDING FINANCING TO PARTICIPATING PARTIES FOR ECONOMIC DEVELOPMENT PURPOSES, AND INCLUDING DEFINITIONS, GENERAL PROVISIONS, POWERS, ISSUANCE PROCEDURES AND CERTAIN OTHER SUPPLEMENTAL PROVISIONS

NOTE: This chapter is entirely new.

Be it ordained by the people of the City and County of San Francisco:

Section 1. The Board of Supervisors of the City and County of San Francisco (the "City") hereby find and determine that the City is a municipal corporation and charter city and county duly organized and existing under a freeholders' charter pursuant to which the City has the right and power to make and enforce all laws and regulations in respect to municipal affairs and certain other matters in accordance with Sections 3, 5 and 7 of Article XI of the Constitution of the State of California and Section 7.311 of the Charter of the City (the "Charter"); and the Board of Supervisors of the City has heard public testimony and reviewed written reports and studies which, together with the personal knowledge of the members of the Board of Supervisors, evidence the need for the City to provide financial assistance to promote the economic development of the City. The Board of Supervisors of the City, acting under and pursuant to the powers reserved to the City under Sections 3, 5 and 7 of Article XI of the Constitution of the State of California and Section 7.311 of the Charter, further finds and determines that the

public interest and necessity require the adoption of this ordinance to authorize, and establish the procedure for, the sale and issuance of revenue bonds by the City for the purpose of providing financing to participating parties for economic development purposes as specified herein.

Section 2. The San Francisco Administrative Code is hereby amended by adding Chapter 48 thereto, reading as follows:

ARTICLE 1. GENERAL PROVISIONS AND DEFINITIONS

Section 48.1: TITLE. This chapter may be cited as the Economic Development Revenue Bond Law of the City and County of San Francisco.

Section 48.2: PURPOSE. The Board of Supervisors hereby finds and declares that it is necessary and essential to the well-being of the City that it provide financial assistance to promote the economic development of the City. Such economic development will serve the following public purposes and municipal affairs of the City: (a) the full and gainful employment of residents of the City; (b) the full and efficient utilization and modernization of existing industrial, commercial, and business facilities; (c) the development of new industrial, commercial and business facilities; (d) the growth of the City's tax base through increased property values and consumer purchasing; (e) the reduction of the need for and costs of welfare and other remedial programs; (f) the reduction of urban ills, such as crime, attributable in part to inadequate economic opportunities; (g) the stability and diversification of the City's economy; (h) the lowering of the cost to City consumers of necessary goods and services; (i) the environmentally optimum disposition of waste materials of the City; and (j) the enhancement of the general economic prosperity, health, safety and welfare of

the residents of the City.

The availability of the financial assistance authorized by this chapter will serve those purposes and the general plan of the City by providing private enterprises and the City with new methods of financing capital outlays in the City and by ensuring that economic development within the City will reflect the local community's needs and objectives and will be environmentally optimum with respect to both the physical and social environment of the City. The City shall promote such public interests pursuant to this chapter without adversely affecting areas outside the City and without conflicting with efforts by the State of California to solve problems of statewide concern.

Section 48.3: DEFINITIONS. Unless the context otherwise requires, the terms defined in this chapter shall have the following meanings:

(a) "Board" means the Board of Supervisors of the City and County of San Francisco.

(b) "Bonds" means the bonds, notes, certificates, debentures and other obligations and evidences of indebtedness authorized to be issued by the City pursuant to this chapter and payable as provided in this chapter.

(c) "City" means the City and County of San Francisco.

(d) "Cost" means the total of all costs incurred by or on behalf of a Participating Party to carry out all works and undertakings and to obtain all rights and powers necessary or incident to the acquisition, construction, installation, reconstruction, rehabilitation or improvement of a Facility. "Cost" may include all costs of issuance of bonds for such purposes, costs for construction undertaken by a Participating Party as its own contractor, capitalized bond interest, reserves for debt service and for repairs,

replacements, additions and improvements to a Facility, and other working capital incident to the operation of a Facility.

(e) "Facility" means any of the facilities, places or buildings within, serving or otherwise substantially connected to the City which are, or will be, maintained and operated for industrial, manufacturing, research and development, commercial or business purposes, or energy uses, or any combination of such purposes and uses, and conform to the general plan of the City and are approved by the City for the financing authorized by this chapter, such approval being given only when the City finds and determines that such financing (1) will substantially promote one or more of the public purposes listed in Section 48.2 and (2) will not have the proximate effect of the relocation of any substantial operations of the Participating Party from one area of the State to another or the abandonment of any substantial operations of such Participating Party within other areas of the State, or, if such financing will have either of such effects, then such financing is reasonably necessary to prevent the relocation of any substantial operations of the Participating Party from an area within the State to an area outside the State.

A "Facility" may also be an activity which may otherwise be financed pursuant to the California Industrial Development Financing Act (Government Code §§ 91500 et seq.) to the extent said Act permits the financing of such activity under alternative authority. "Facility" includes, without limitation, real and personal property, land, buildings, structures, fixtures, machinery and equipment and all such property related to or required or useful for the operation of a Facility. Facility does not include any facility, place or building used or to be used primarily for sectarian instruction or study or as a place for devotional activities or religious worship.

(f) "Participating Party" means any individual, association, corporation, partnership or other entity which is approved by the City to undertake the financing of the Costs of a Facility for which this chapter authorizes the issuance of Bonds.

(g) "Responsible Department" means the Mayor except that, unless otherwise specified by the Mayor, Responsible Department for proposals for financing under this chapter of any facility described in section 103(b)(4) of the Internal Revenue Code of 1954, as amended, shall be that department, office, commission or authority of the City having jurisdiction over the proposed facility.

(h) "Revenues" means amounts received by the City as payments of principal, interest, and all other charges with respect to a loan authorized by this chapter, as payments under a lease, sublease or sale agreement with respect to a Facility, as proceeds received by the City from mortgage, hazard or other insurance on or with respect to such a loan (or any property securing such loan), lease, sublease or sale agreement, all other rents, charges, fees, income and receipts derived by the City from the financing of a Facility authorized by this chapter, any amounts received by the City as investment earnings on moneys deposited in any fund securing the Bonds, and such other legally available moneys as the Board of Supervisors may, in its discretion, lawfully designate as Revenues.

Section 48.4: NO LIMITATION ON APPROPRIATIONS. Revenues, as defined by this chapter, and the expenditure of such Revenues shall not be taken into account in any manner in determining the City's compliance with Article XIIIB of the California Constitution.

ARTICLE 2. FINANCING FACILITIES

Section 48.20: LOANS FOR FACILITIES. The City is hereby authorized to make, purchase, or otherwise contract for the making of, a mortgage or other secured or unsecured loan, with the proceeds of Bonds and upon such terms and conditions as the City shall deem proper, to any Participating Party for the Costs of a Facility.

Section 48.21: ACQUISITION, CONSTRUCTION, LEASING AND SELLING OF FACILITIES. The City is hereby authorized to acquire, construct, enlarge, remodel, renovate, alter, improve, furnish, equip and lease as lessee, with the proceeds of Bonds, a Facility solely for the purpose of selling or leasing as lessor such Facility to such Participating Party, and is further authorized to make any contracts for such purposes. The City is also authorized to contract with such Participating Party to undertake on behalf of the City to construct, enlarge, remodel, renovate, alter, improve, furnish and equip such Facility.

The City is authorized to sell or lease, upon such terms and conditions as the City shall deem proper, to a Participating Party any Facility owned by the City under this chapter, including a Facility conveyed to the City in connection with a financing authorized by this chapter but not being financed hereunder.

Section 48.22: APPLICATIONS FOR APPROVAL. Any person may apply to the responsible department for approval as a Participating Party and for approval of a Facility for financing under this chapter. Applications shall set forth such information as the Responsible Department may require in order to enable the Responsible Department to evaluate the applicant, the Facility and its proposed costs.

Section 48.23: FEES. The City is hereby authorized to charge Participating Parties application, commitment, financing and

other fees, in order to recover all administrative and other costs and expenses incurred in the exercise of the powers and duties conferred by this chapter. The Responsible Department shall transmit a letter agreement or contract to a Participating Party which will obligate such party to pay such fees and expenses as the City may charge or incur hereunder.

Section 48.24: INSURANCE. The City is hereby authorized to obtain, or aid in obtaining, from any department or agency of the United States or of the State of California or any private company, any insurance or guarantee as to, or of, or for the payment or repayment of, interest or principal, or both, rents, fees or other charges, or any part thereof, on any loan, lease or sale obligation or any instrument evidencing or securing the same, made or entered into as authorized by this chapter; and is authorized to accept payment in such manner and form as provided therein in the event of default by a Participating Party, and to assign any such insurance or guarantee as security for Bonds.

Section 48.25: RENTS AND CHARGES. The City is hereby authorized to fix rents, payments, fees, charges and interest rates for a financing authorized by this chapter and to agree to revise from time to time such rents, payments, fees, charges and interest rates to reflect changes in interest rates on Bonds, losses due to defaults or changes in other administrative expenses.

Section 48.26: SECURITY FOR LOANS. The City is hereby authorized to hold deeds of trust or mortgages or security interests in personal property as security for loans and other obligations authorized by this chapter and to pledge or assign the same as security for repayment of Bonds. Such deeds of trust, mortgages or security interests, or any other interest of the City in any Facility, may be assigned to, and held on behalf of, the City by any

bank or trust company appointed to act as trustee by the City in any resolution or indenture providing for the issuance of Bonds.

Section 48.27: PROFESSIONAL SERVICES. The City is hereby authorized to contract for such engineering, architectural, financing, accounting, leasing, legal or other services as may be necessary in the judgment of the City to accomplish the purposes of this chapter.

Section 48.28: PUBLIC WORKS REQUIREMENTS INAPPLICABLE. Except as specifically provided in this chapter, the acquisition, construction, installation, reconstruction, rehabilitation or improvement of a Facility financed under this chapter shall not be subject to any requirements relating to buildings, works or improvements owned or operated by the City, and any requirement of public competitive bidding or other procedural restriction imposed on the award of contracts for acquisition or construction of a City building, work or improvement or to the lease, sublease, sale or other disposition of City property shall not be applicable to any action taken under this chapter.

Section 48.29: ADDITIONAL POWERS. In addition to all other powers specifically granted by this chapter, the City is hereby authorized to contract for and do all things necessary or convenient to carry out the purposes of this chapter, provided, however, that the City shall not have the power to operate a Facility financed under this chapter as a business, except temporarily in the case of a default by a Participating Party.

ARTICLE 3. BONDS

Section 48.40: ISSUANCE OF BONDS. The City is authorized to issue Bonds in an unlimited aggregate principal amount, from time to time, in such series and amounts as are determined by the Board

of Supervisors to be necessary or appropriate to provide for the Costs of Facilities approved by the Board of Supervisors. Bonds shall be negotiable instruments for all purposes, subject only to the provisions of such Bonds for registration.

Section 48.41: BONDS NOT DEBT OF CITY. All of the Bonds authorized under this chapter shall be limited obligations of the City payable from all or any specified part of the revenues and the moneys and assets authorized in this chapter to be pledged or assigned to secure payment of Bonds. Such revenues, moneys or assets shall be the sole source of repayment of such issue of Bonds. Bonds issued as authorized by this chapter shall not be deemed to constitute a debt or liability of the City or a pledge of the faith and credit of the City but shall be payable solely from specified revenues, moneys and assets. The issuance of Bonds shall not directly, indirectly, or contingently obligate the City to levy or pledge any form of taxation or to make any appropriation for their payment.

All Bonds shall contain on the face thereof a statement to the following effect:

> Neither the faith and credit nor the taxing power of the City and County of San Francisco is pledged to the payment of the principal of or premium, if any, or interest on this bond.

Section 48.42: BOND TERMS. Bonds shall be issued as serial bonds, term bonds, installment bonds or pass-through certificates or any combination thereof. The Responsible Department shall determine the terms and timing of the issuance of particular Bonds in accord with the resolution of the Board of Supervisors approving the particular Facility to be financed thereby. Bonds shall bear such date or dates, mature at such time or times not to exceed forty (40) years, bear interest at such fixed or variable rate or rates

approved by the Participating Party whose Facility is being financed but not to exceed the maximum rate permitted by law, be payable at such time or times, be in such denominations, be in such form, either coupon or registered, carry such registration privileges, be executed in such manner, be payable in lawful money of the United States of America at such place or places, be subject to such terms of redemption and have such other terms and conditions as such resolution, or any indenture to be entered into by the City pursuant to such resolution, shall provide. Bonds shall be sold at either public or private sale and for such prices as the City shall determine.

Section 48.43: BOND PROVISIONS. Any resolution relating to the issuance of any Bonds, or any indenture to be entered into by the City pursuant to such resolution, may contain provisions respecting any of the following terms and conditions, which shall be a part of the contract with the holders of such Bonds:

(a) the terms, conditions and form of such Bonds and the interest and principal to be paid thereon,

(b) limitations on the uses and purposes to which the proceeds of sale of such Bonds may be applied, and the pledge or assignment of such proceeds to secure the payment of such Bonds,

(c) limitations on the issuance of additional parity Bonds, the terms upon which additional parity Bonds may be issued and secured, and the refunding of outstanding Bonds,

(d) the setting aside of reserves, sinking funds and other funds and the regulation and disposition thereof,

(e) the pledge or assignment of all or any part of the Revenues and of any other moneys or assets legally available therefor (including loans, deeds of trust, mortgages, leases, subleases, sales agreements and other contracts and security interests) and the

use and disposition of such Revenues, moneys and assets, subject to such agreements with the holders of Bonds as may then be outstanding.

(f) limitation on the use of Revenues for operating, administration or other expenses of the City,

(g) specification of the act or omissions to act which shall constitute a default in the duties of the City to holders of such Bonds, and providing the rights and remedies of such holders in the event of default, including any limitations on the right of action by individual bondholders,

(h) the appointment of a corporate trustee to act on behalf of the City and the holders of its Bonds, the pledge or assignment of loans, deeds of trust, mortgages, leases, subleases, sale contracts and any other contracts to such trustee, and the rights of such trustee,

(i) the procedure, if any, by which the terms of any contract with bondholders may be amended or abrogated, the amount of such Bonds the holders of which must consent thereto, and the manner in which such consent may be given, and

(j) any other provisions which the Board of Supervisors or the Responsible Department may deem reasonable and proper for the purposes of this chapter and the security of the bondholders.

Section 48.44: PLEDGE OF REVENUES, MONEY OR PROPERTY; LIEN. Any pledge of Revenues or other moneys or assets as authorized by this chapter shall be valid and binding from the time such pledge is made. Revenues, moneys and assets so pledged and thereafter received by the City shall immediately be subject to the lien of such pledge without any physical delivery thereof or further act, and the lien of any such pledge shall be valid and binding as against all parties having claims of any kind in tort, contract, or otherwise against the City, irrespective of whether such parties have notice thereof.

Neither the resolution nor any indenture by which a pledge is created need be filed or recorded except in the records of the City.

Section 48.45: NO PERSONAL LIABILITY. Neither the members of the Board of Supervisors, the officers or employees of the City or the Responsible Department, nor any person executing any Bonds shall be liable personally on the Bonds or be subject to any personal liability or accountability by reason of the issuance thereof.

Section 48.46: PURCHASE OF BONDS BY CITY. The City shall have the power out of any funds available to purchase its Bonds. The City may hold, pledge, cancel, or resell such Bonds, in accordance with agreements with the bondholders.

Section 48.47: ACTIONS BY BONDHOLDERS. Any holder of Bonds issued under the provisions of this chapter, and any trustee appointed pursuant to any resolution relating to the issuance of Bonds, except to the extent the rights thereof may be restricted by such resolution or any indenture authorized thereby to be entered into by the City, may, either at law or in equity, by suit, action, mandamus or other proceedings, protect or enforce any and all rights specified in law or in such resolution or indenture, and may enforce and compel the performance of all duties required by this chapter or by such resolution or indenture to be performed by the City or by any officer, employee, or agent of the City, including the fixing, charging, and collecting of rates, fees, interest, and charges authorized and required by the provisions of such resolution or indenture to be fixed, charged, and collected.

Section 48.48: REFUNDING BONDS. The City is hereby authorized to issue Bonds for the purpose of refunding any Bonds then outstanding.

Section 48.49: BOND ANTICIPATION NOTES. In anticipation of the sale of Bonds authorized by this chapter, the City is hereby

authorized to issue bond anticipation notes, and to renew the same from time to time, in such series and amounts as are determined by the Board of Supervisors to be necessary or appropriate for the Costs of Facilities approved by the Board of Supervisors. Such notes shall be payable from Revenues or other moneys or assets authorized by this chapter to be pledged to secure payment of Bonds, and which are not otherwise pledged, or from the proceeds of sale of the particular Bonds in anticipation of which they are issued. Such notes shall be issued in the same manner as Bonds. The Responsible Department shall determine the terms and timing of the issuance of particular bond anticipation notes in accord with the provisions of Section 48.42 and the resolution of the Board of Supervisors approving the particular Facility to be financed thereby. Such notes, any resolution relating to the issuance of such notes and any indenture to be entered into by the City pursuant to such resolution may contain any provisions, conditions or limitations permitted under Section 48.43.

Section 48.50: VALIDITY OF BONDS. The validity of the authorization and issuance of any Bonds is not dependent on and shall not be affected in any way by any proceedings taken by the City for the approval of any financing or the entering into of any agreement, or by the failure to provide financing or enter into any agreement, for which Bonds are authorized to be issued under this chapter.

ARTICLE 4. SUPPLEMENTAL PROVISIONS

Section 48.60: LIBERAL CONSTRUCTION. This chapter, being necessary for the welfare of the City and its inhabitants, shall be liberally construed to effect its purposes.

Section 48.61: OMISSIONS NOT TO AFFECT VALIDITY OF BONDS. Any omission of any officer of the City in proceedings under this

chapter or any other defect in the proceedings shall not invalidate such proceedings or the Bonds issued pursuant to this chapter.

Section 48.62: FULL AUTHORITY. This chapter is full authority for the issuance of Bonds by the City for any of the purposes specified herein.

Section 48.63: ADDITIONAL AUTHORITY. This chapter shall be deemed to provide a complete, additional, and alternative method for doing the things authorized thereby, and shall be regarded as supplemental and additional to the powers conferred by other laws. The issuance of Bonds under the provisions of this chapter need not comply with the requirements of any other law applicable to the issuance of bonds. The purposes authorized hereby may be effectuated and Bonds are authorized to be issued for any such purposes under this chapter notwithstanding that any other law may provide for such purposes or for the issuance of bonds for like purposes and without regard to the requirements, restrictions, limitations or other provisions contained in any other law.

Section 48.64: CHAPTER CONTROLLING. To the extent that the provisions of this chapter are inconsistent with the provisions of any general statute or special act or parts thereof the provisions of this chapter shall be deemed controlling.

Section 48.65: SEVERABILITY. If any provision of this chapter or the application thereof to any person or circumstance is held invalid, such invalidity shall not affect any other provision or application of this chapter which can be given effect without the invalid provision or application, and to this end the provisions of this chapter are declared to be severable. The Board of Supervisors hereby declares that it would have adopted and passed this chapter and each section, subsection, sentence, clause, phrase and word hereof, irrespective of the fact that any one or more of the other

sections, subsections, sentences, clauses, phrases or words hereof be declared invalid or unconstitutional.

Section 3. The appropriate officers and employees of the City are hereby authorized and directed, for and in the name of and on behalf of the City, to do any and all things and take any and all actions and execute and deliver any and all certificates, agreements and documents which they or any of them may deem necessary or advisable in order to consummate the lawful issuance and delivery of the Bonds or bond anticipation notes authorized by this chapter in accordance with the provisions of this chapter and the resolution of the Board of Supervisors approving the particular Facility to be financed thereby.

(Towing Vehicles)

AMENDING PART II, CHAPTER VI OF THE SAN FRANCISCO MUNICIPAL CODE (PARK CODE) BY AMENDING SECTIONS 6.01 and 6.02 TO AUTHORIZE THE TOWING OF VEHICLES FROM PARKING LOTS AND TO MAKE TOWING PROCEDURES OF THE CALIFORNIA VEHICLE CODE APPLICABLE TO THE REMOVAL OF VEHICLES FROM PARK PROPERTY.

Be it ordained by the People of the City and County of San Francisco:

Section 1. Article 6, Section 6.01 of Part II, Chapter VI of the San Francisco Municipal Code (Park Code) is hereby amended to read as follows:

Sec. 6.01. Operation and Parking of Vehicles. (a) No person shall drive or propel any vehicle within any park except upon the paved roads, driveways, and highways provided or unpaved roads designated by sign or signal for use by such vehicular traffic;

(b) All persons operating vehicles must drive or propel them in a careful manner, at a lawful rate of speed, and in accordance with the rules and regulations of the Recreation and Park Commission, San Francisco Traffic Code and California Vehicle Code;

(c) No person shall drive or propel any vehicle on any planted area or on any access road or unpaved service road or firetrail in any park;

(d) No person shall park any vehicle on any lawn, or planted area, or unimproved area or on any pedestrian or equestrian lane, or on any access road or unpaved service road or firetrail or in any manner so as to block access to or exit from any service road or access road or firetrail, or in any other place in the park where the rules and regulations of the

Recreation and Park Commission prohibit vehicular parking, unless allowed otherwise by permit;

(e) No person shall wash, grease, or repair any vehicle in any park except insofar as repairs may be necessary for the immediate removal of any damaged or disabled vehicle from the park;

(f) No vehicle shall be parked on any road, place or highway in any park except on the extreme right side of said road, place or highway and immediately adjacent to any curb or any planted portion of the park; provided, however, that the Recreation and Park Commission shall have full power and authority to set aside suitable space for the parking of any vehicle off any road, place or highway. The extreme right side of said road, place or highway shall be deemed to be the right hand side of any road, place or highway as measured or applied in the direction in which any vehicle is travelling. Nothing in this section shall be deemed to prohibit parking on the extreme left side of any one-way road or highway, provided such parking is otherwise permitted, which side shall be deemed to be the left hand side of any road or highway as measured or applied in the direction in which any vehicle is travelling.

(g) No person shall park any automobile or any other vehicle, including a house trailer, whether attended or unattended, in any park, other than the Marina Green, between the hours of 10:00 p.m. and 6:00 a.m., except (1) when attending an event or function authorized by the Recreation and Park Department, and then only when the person parks the vehicle in an area specifically designated for such parking in connection with said event or function; (2) when such parking is necessary because of an emergency, such as a flat tire or other mechanical

failure, in which case the vehicle shall not be parked any longer than necessary; or (3) when a sign is posted or notice is otherwise provided that parking is permitted in a designated area between 10:00 p.m. and 6:00 a.m., or some portion of those hours.

(h) No person shall park any automobile or any other vehicle, including a house trailer, whether attended or unattended, at the Marina Green between the hours of 2:00 a.m. and 6:00 a.m., unless (1) such person has water craft moored at Yacht Harbor and has displayed on the vehicle an official permit authorizing such parking from the Recreation and Park Department or (2) such parking is necessary because of an emergency, such as a flat tire or other mechanical failure, in which case the vehicle shall not be parked any longer than necessary.

(i) No person shall, in any park, allow any automobile or other vehicle to remain parked in any parking lot which is open for public use and for which a fee is charged for parking, including, but not limited to, Kezar Parking Lot, for a period of more than 24 hours after the expiration of the period for which a fee is charged.

Section 2. Article 6, Section 6.02 of Part II, Chapter VI of the San Francisco Municipal Code (Park Code) is hereby amended to read as follows:

Sec. 6.02. Towing of Vehicles. Whenever any member of the San Francisco Police Department or employee authorized by the Recreation and Park Department or Commission finds any vehicle parked in violation of Sections 601(d), (f), (g), (h), or (i) of this Code, such officer or employee may provide for the removal of such vehicle, so long as signs have been posted to inform the public that vehicles so parked are subject to removal and, with respect to Section 601(i), so long as there is an attendant on

duty or other facilities permitting the patron to pay or remit the parking charges at the time the vehicle is first parked.

The procedure for removal and impounding of vehicles shall be as is provided for in applicable provisions of the San Francisco Traffic Code-and-Sections 22850 to 22855 of the California Vehicle Code.

Moreover, any vehicle stopped, parked or left standing in such a manner as to violate Sections 6.01(d), (f), (g), (h), or (i) of this Code is an obstruction to the free use of property and a nuisance within the meaning of Part III of the Civil Code of California relating to nuisances and the abatement thereof.

ORDINANCE NO. 165 83

AMENDING ORDINANCE NO. 105-64 GRANTING CABLE TELEVISION FRANCHISE BY AMENDING SCTION 2 (A) THEREOF, BY CHANGING CONSTRUCTION PLAN.

NOTE: Additions or substitutions are underlined; deletions are indicated by ((double parenthesis)).

BE IT ORDAINED BY THE PEOPLE OF THE CITY AND COUNTY OF SAN FRANCISCO:

Section 1. Ordinance No. 105-64 is hereby amended by amending Section 2.A thereof, to read as follows:

SEC. 2.A. Construction by the Grantee shall be undertaken within the franchise area after December 9, 1978, which will extend cable service to all residential areas of the City and County of San Francisco (hereinafter referred to as the "City"), under a construction plan developed mutually by the Grantee and the City. Within 30 days from December 21, 1980, the Grantee will make application to the appropriate agencies required and will complete said construction of all residential areas as defined in the construction plan within eight years from the effective date of this ordinance. The residential areas in which the construction plan will be performed are identified by the map attached hereto as Exhibit B. Exhibit A and Exhibit B are by reference expressly incorporated herein and made a part hereof as though fully set forth herein. Within the designated construction period, the Grantee will submit a detailed report to the Chief Administrative Officer, the Citizens Telecommunications Committee, and the Mayor's Office on a quarterly basis, commencing with the first quarter after the effective date of this ordinance detailing the progress which has been made on the approved construction plan. The Grantee will further submit a plan to the Chief Administrative Officer by December 1 of each year outlining construction plans and schedule for the following year's construction. The Grantee may only deviate from the construction plan with the consent of the Board of Supervisors or its designated authority. Consent is granted to revise the construction plan in accordance with Exhibit C attached hereto. Exhibit C is by reference expressly incorporated herein and made a part hereof as though fully set forth herein.

The Grantee, accepting the provisions of this ordinance will further agree to the following.

1. The system to be constructed will be capable of delivering, as specified by the manufacturer, a minimum band width of 400 MGHz or 52 channels. The system shall further have the capability of two-way transmission.
2. The cable components and ancillary equipment in the existing system will be modified so that the subscriber areas where cable currently exists will receive the same scope of service as indicated above. Throughout the term of the franchise, all new and replacement construction will be accomplished with the then current state-of-the art equipment.
3. For the term of the franchise, regardless of Federal Communication Commission regulations which currently or may in the future limit the franchise fee to a lesser amount, Grantee or its successor will agree to pay the City a 5% franchise fee on gross revenues as defined in Section 8 of Ordinance No. 105-64. The City may renegotiate the fee at its option in the event changes in state law and federal regulations permit higher fees. Higher fees will be based on then current franchise fees in other similar jurisdictions. Renegotiation can only be at five year intervals commencing on December 1, 1985. If the City and

grantee fail to agree on an increased fee the matter will be decided via arbitrator as outlined in Section 17(a) herein.

4. The Grantee will continue to provide an opportunity for public expression by the continuation of community programming as now available on Cable Channel 6; and public access as now available on Cable Channel 25; and will guarantee the continued operation of the Channel 6 color television studio, and Channel 25 television studio, properly equipped and supported by trained personnel for the purpose of local, community-oriented programming on both channels. The Grantee shall provide time channels for municipal and educational access, not to exceed two channels of 52 channels, and an additional 10% of any channels in excess of 52 channels. In order to effectuate public access, Grantee shall provide service to schools, universities and public buildings at no cost.

5. The Grantee will, after the effective date of this ordinance, subject to zoning restrictions and technical feasibility, construct a satellite antenna in San Francisco for the purpose of receiving satellite programming.

6. For the term of the franchise, regardless of Federal Communication Commission regulations or State law which currently or may in the future permit the de-regulation of basic subscriber rates shall continue to be set by ordinance of Board of Supervisors.

AMENDING CHAPTER 36, SECTION 36.2, OF THE SAN FRANCISCO ADMINISTRATIVE CODE TO AUTHORIZE THE DELETION OF A REPRESENTATIVE FROM THE PUBLIC DEFENDER'S OFFICE TO THE VICTIM/WITNESS ASSISTANCE PROGRAM POLICY COMMITTEE.

NOTE: Additions are underlined; deletions are indicated by ((double parentheses)).

Be it ordained by the People of the City and County of San Francisco:

Section 1. Chapter 36, Section 36.2, of the San Francisco Administrative Code is hereby amended to read as follows:

Section 36.2. Establishment, Composition, Policy Committee.

(a) Subject to the budget, fiscal and civil service provisions of the Charter, there is hereby established a service to be known as the Victim/Witness Assistance Program in the City and County of San Francisco in the Office of the District Attorney, and a Policy Committee.

(b) The Policy Committee shall consist of the following persons or their designees: the District Attorney, the Chief of Police, ((the Public Defender,)) the Director of Health Care Services, the General Manager((,)) of the Department of Social Services, the Chairperson of the Commission on ((of)) the Aging, the Chairperson of ((on)) the Commission on ((of)) the Status of Women, the President of the San Francisco Barristers' Club, the Chairperson of the Public Protection Committee of the Board of Supervisors of the City and County of San Francisco, the Director of the Center for Special Problems, and the Director of the Adult Probation Department. The Policy Committee shall elect a chairperson from among its members. The term of office as chairperson shall be for the calendar year or for that portion thereof remaining after each such chairperson is elected. Members of the Policy Committee shall serve as such without compensation.

(c) The Policy Committee shall oversee general policy implementation and shall determine the priority which various program goals shall be assigned. The Policy Committee shall meet monthly, or as necessary. It shall review the progress of the program, its service to both the victims of violent crime and to the witnesses thereof, and its ability to make the criminal justice system more effectively serve the community.

(d) The Policy Committee shall facilitate liaison with all interested institutions and community groups ((, it)) and shall endeavor to create good working relationships with all volunteer service organizations. With the assurance of equal treatment of all victims and witnesses, it shall coordinate with, among others, the office of the Public Defender, the Juvenile Probation Department, the Municipal Court, the Superior Court, the Juvenile Court, the Department of Social Services, the Department of Public Health, the office of the Sheriff, the State Board of Control, the Department of Vocational Rehabilitation, and various social services and community groups concerned with individuals affected by ((with)) the criminal justice system. Emphasis shall be placed on assuring proper treatment of the victims of sexual assault and of domestic violence and victims who are senior citizens. The Policy Committee shall assure that concerns of both community and institutional interests with respect to treatment of victims and witnesses are carefully articulated and incorporated in policy implementation by the District Attorney.

(e) Subject to the budget, fiscal and civil service provisions of the Charter, an executive director shall be

(LANDMARKS)

AMENDING ARTICLE 10 OF THE CITY PLANNING CODE, PART II CHAPTER II OF THE MUNICIPAL CODE BY ADDING APPENDIX D DESIGNATING THE NORTHEAST WATERFRONT HISTORIC DISTRICT

SEC.1. FINDINGS AND PURPOSES. The Board of Supervisors hereby finds that the area known and described in this ordinance as the Northeast Waterfront has a special character and special historical, architectural and aesthetic interest and value and constitutes a distinct section of the city. The Board of Supervisors further finds that designation of this area as an Historic District will further and conform to the purposes and standards of Article 10 of the City Planning Code and that preservation on an area basis, rather than on the basis of individual structures alone, is required in order to preserve the character of the Northeast Waterfront District.

This ordinance is intended to further the general purpose of historic preservation legislation as set forth in Section 1001 of the City Planning Code through:

(a) The protection, enhancement, perpetuation and use of structures, sites and areas that are reminders of past eras, events and persons important in local, state or national history, or which provide significant examples of architectural styles of the past or are landmarks in the history of architecture, or which are unique and irreplaceable assets to the city and its neighborhoods, or which provide for this and future generations examples of the physical surroundings in which past generations lived;

(b) The development and maintenance of appropriate settings and environment for such structures;

(c) The enhancement of property values, the stabilization of areas of the city, the increase of economic and financial benefits to the city and its inhabitants, and the promotion of tourist trade;

(d) The preservation and encouragement of a city of varied architectural styles, reflecting the distinct phases of its architectural, cultural, economic, political and social history;

(e) The enrichment of human life in its educational and cultural dimensions; to serve spiritual and material needs by fostering knowledge of the past.

In addition, this ordinance is intended to maintain the scale and basic character of the Northeast Waterfront Historic District, through:

(a) Preservation of the basic characteristics and salient architectural details of structures within the Historic District;

(b) Affording the widest possible scope for continuing vitality through private renewal and architectural creativity, within appropriate controls and standards;

(c) Encouragement of the development of vacant and incompatibly developed properties in accordance with the character of the area.

SEC.2. DESIGNATION. Pursuant to Section 1004 of the City Planning Code, Chapter II, Part II of the San Francisco Municipal Code, the Northeast Waterfront is hereby designated as an Historic District, this designation having been duly approved by Resolution No. 9517 of the City Planning Commission.

SEC.3. LOCATION AND BOUNDARIES. The location and boundaries of the Northeast Waterfront Historic District shall be as designated on the Northeast Waterfront Historic District Map, /the original of which is on file with the Clerk of the Board of Supervisors under File No. 90-82-15, which map is hereby incorporated as though fully set forth.

SEC.4. RELATION TO CITY PLANNING CODE. (a) Article 10 of the City Planning Code is the basic law governing historic preservation in the City and County of San Francisco. This ordinance, being a specific application of Article 10, is both subject to and in addition to the provisions thereof.

(b) Except as may be specifically provided to the contrary in the ordinance, nothing in this ordinance shall supersede, impair or modify any City

Planning Code provisions applicable to property in the Northeast Waterfront Historic District, including but not limited to existing and future regulations controlling uses, height, bulk coverage, floor area ratio, required open space, off-street parking and signs.

SEC.5. STATEMENT OF SIGNIFICANCE. (a) History of the Area: The Northeast Waterfront District contains commercial warehouse buildings from nearly every decade of San Francisco's history. The area reflects the waterfront storage and maritime activities which, until recently, were an important aspect of San Francisco business history. These buildings range in age from the early clipper ship warehouses of Scotsman Daniel Gibb in the 1850's to the properties owned by the General Engineering and Drydock Co., a company crucial to the shipbuilding effort that made San Francisco Bay the major Pacific maritime support facility during World War II.

The original shoreline of Yerba Buena swept in a curve from Montgomery Street to roughly Jackson Street and on to the deeper waters slightly east of Battery. This point was known as Punta del Embarcadero. The cove itself fronting on the settlement was shallow and could be navigated only by small craft of shallow draft. The historic district boundary begins at what was the site of the first deep water landing in San Francisco at Clark's Point. The first vessel to moor at a wharf tied up at this site and discharged cargo in 1848. The first Pacific Mail steamer to arrive in San Francisco disembarked passengers in this area in 1848 and the unique clipper ships built expressly for San Francisco's Gold Rush trade docked in this area in large numbers.

During the Gold Rush era, the boundaries of the area were extended eastward by landfill into the bay in order to create new warehousing space. Large sections of Telegraph Hill were excavated for the fill. In the late 1880's a sea wall was built which settled the eastern boundaries of the area. The clipper ships of the Gold Rush era and paddlewheel steamers of the delta and river trade docked alongside its wharves discharging a multitude of cargo, much of which passed through local warehouses. In the 1880's and 1890's large

numbers of iron hulled square riggers were involved in hauling grain from California's central valley to European markets. The new trans-continental trains were loaded on barges from the other side of the bay and were docked and discharged in this area. A number of ships are presumed to have been buried beneath the fill used to extend the district. A ship buried in 1851 as an extension of Frederick Griffing's wharf was recently unearthed during the excavation for Levi's Plaza on the northern boundary of the district.

Many distinguished San Francisco names and firms have been associated with the warehouses in the area: William T. Coleman, head of the Vigilante Committee; George Howes, operator of clipper ships; Daniel Gibb, builder of the earliest warehouses in the area which were bought in 1861 by John Sanborn; Charles Minturn, steamboat tycoon; Isaac Friedman, the "Wheat King"; and Samuel Haslett, founder of a leading warehouse firm in the Bay Area. Pioneer firms such as American Bisquit Co., Cowell's Lime and Cement Co., W. P. Fuller Co., the Petri Italian-American Cigar Co., and the California Fruit Packing Co., have major extant structures in the area. After 1906 firms such as Bemis Bag Co., National Ice and Cold Storage, Cudahy Meat Packing, Armour and Co., Ciocca-Lombardi Wine Co., and the Italian-American Canning Co. located in the area. In the 1920's and 1930's the Sunset Press, Security Lithograph, and various typography and lithography operations were set up in the district, reflecting the increasing importance of this industry in San Francisco's economic development. In 1940 General Engineering and Drydock marshalled a number of buildings for ship repair and maintenance during World War II.

These warehouse facilities have been in continuous industrial use from the Gold Rush to the mid 1960's. Since that decade showroom, office and retail uses have been integrated into renovated warehouse structures.

The area is architecturally significant as a representation of warehouse and industrial buildings from the brick structures of the Gold Rush era to the reinforced concrete buildings introduced after the turn of the century. Some of the present buildings date from well before the turn of the century, though

they were rebuilt after the 1906 fire. Since warehouse architecture did not undergo profound stylistic changes until the introduction of reinforced concrete, the pre- and post-fire brick warehouses embody the original appearance and spirit of the early warehouse district. Of particular note is the block bounded by Front, Battery, Union, and Green streets, the most cohesive extant brick warehouse complex from this era in the city. In addition, cobblestone paving and the standard and narrow gauge belt line railroad track which served the district are visible at the foot of Commerce Street. The area clearly serves as a visual reminder of San Francisco's earlier maritime-warehousing commerce.

(b) Basic Nature of the Area. The Historic District includes historically and architecturally significant buildings dating from the 1850's to the present century. The buildings vary in height from approximately six stories closest to the base of Telegraph Hill to a maximum of four stories at the Embarcadero and the Bay. The area was predominantly oriented toward shipping, drayage and warehousing, and is now being converted to low rise office space. The addition of Levi's Plaza on the northern boundary offers a modern structure compatible with the district.

(c) Architectural Character. Common architectural features tie the area together and provide visual distinction. Two major building materials were used in the area; brick since the Gold Rush era and reinforced concrete after the 1906 fire.

Common architectural elements are repeated throughout the District. Of particular note are the large bulk and minimal fenestration of the earlier warehouse structures. Other common features are scale and proportion, materials, color, texture, and the minimal use of decorative elements. Visual distinction is due in some cases to the original construction plus the carefully designed addition of upper stories as evidenced in the original two story Cudahy Meat Packing building by Henry Gielfus (1907) with a two story addition by Ward and Blohme (1918).

(d) Uniqueness and Location. The unique quality of the Northeast Waterfront Historic District stems from the fact that so many buildings from approximately fourteen decades of San Francisco history are clustered within this nine block area. Its distinct character is contrasted by Gateway Commons on the south and Levi's Plaza on the north. The district is close to the downtown high-rise core and the Jackson Square Historic District.

(e) Visual and Functional Unity. The Historic District has an identifiable character and common architectural features. The primary unifying factors are scale and the texture of the buildings, as well as materials. In terms of function, there has been a continuous transition from the clipper ship services of the 1850's through the warehousing and shipping services of the early twentieth century, to the gradual transformation of warehouses into premium office space within walking distance of the downtown.

(f) Dynamic Continuity. The Northeast Waterfront District is an evolving commercial area. The area has proven its capacity for incremental adaptation to new uses. Designation as an historic district is intended to complement the economic viability of the area.

(g) Benefits to the City and its Residents. Economically, the area in the past has housed specialized enterprises and is currently evolving into a satellite office district of the downtown core. Culturally, it provides a strong historical and educational resource and link with the past. Aesthetically, its architecture and visual appeal are immediate, while its value in terms of urban design within the city pattern as a whole is equally important.

SEC.6. FEATURES.

(a) Overall Form and Continuity. Building height is generally within a six story range, with the higher structures closer to the base of Telegraph Hill and lower buildings near the water. Many of the oldest structures are one or two stories in height.

(b) Scale and Proportion. The buildings are of typical warehouse design, large in bulk, often with large arches and openings originally designed for

easy vehicular access. There is a regularity of overall form. The earlier brick structures blend easily with the scaled down Beaux Arts forms of the turn of the century and the plain reinforced concrete structures characteristic of twentieth century industrial architecture.

(c) Fenestration. Minimal glazing is deeply recessed, producing a strong shadow line. The earliest structures have few windows expressing their warehouse function. They are varied in size, rhythmically spaced, and relate in shape and proportion to those in nearby buildings. Larger industrial sash windows began to be incorporated in structures built from the 1920's and onward. Door openings are often massive to facilitate easy access of bulk materials.

(d) Materials. Standard brick masonry is predominant for the oldest buildings in the district, with reinforced concrete introduced after the 1906 fire. Some of the brick facades have been stuccoed over. One of the structures still has its metal shutters, which were once typical of the area.

(e) Color. Red brick is typical, with some yellow and painted brick. Muted earth tones predominate in shades of red, brown, green, gray, and blue.

(f) Texture. Typical facing materials give a rough textured appearance. The overall texture of the facades is rough grained.

(g) Detail. Arches are common at the ground floor, and are frequently repeated on upper floors. Flattened arches for window treatment are typical. Cornices are simple and generally tend to be abstract versions of the more elaborate cornices found on downtown commercial structures from the nineteenth century. Most of the surfaces of the later buildings are plain and simple reflecting their function. Some of the earlier brick work contains suggestions of pilasters, again highly abstracted. Where detail occurs, it is often found surrounding entryways.

(h) Age. All of the buildings in the area were either partially or totally destroyed by the earthquake and fire of 1906. As in the Jackson Square area, many were rebuilt along the lines of the previous design, often using

materials salvaged from the construction site.

SEC.7. ADDITIONAL PROVISIONS FOR CERTIFICATES OF APPROPRIATENESS. The procedures, requirements, controls and standards in Sections 1006 through 1006.8 of Article 10 of the City Planning Code shall apply to all applications for Certificates of Appropriateness in the Northeast Waterfront Historic District. In addition the following provisions shall apply to all such applications; in the event of any conflict or inconsistency between the following provisions and Article 10, those procedures, requirements, controls and standards affording stricter protection to landmarks, landmark sites and the Historic District shall prevail.

(a) Character of the Historic District. The standards for review of all applications for Certificates of Appropriateness are set forth in Section 1006.7 of Article 10. For purposes of review pursuant to these standards, the character of the historic district shall mean the exterior architectural features of the Northeast Waterfront Historic District described in Section 6 of this ordinance.

(b) Additional Standards for Certain Features.

1. Facade Line Continuity. Facade line continuity is historically appropriate. Therefore, setbacks and arcades, not generally being features of the Northeast Waterfront Historic District, are not acceptable.

2. Fenestration and Design Elements for New Construction. In areas with a concentration of older brick buildings, new construction should reflect in design the predominant use of deeply recessed, limited fenestration. In addition, verticality and a high proportion of mass to void should be incorporated. In areas characterized by newer buildings in concrete or stucco with industrial style fenestration, new construction should reflect those design elements.

3. Roof Treatment. Historically the view from Telegraph Hill over the Northeast Waterfront district has been one of roofs characterized by numerous regularly spaced industrial style skylights. In renovation or new construction,

these particular design features should be retained or incorporated.

4. Signs. Principal Signs. Only one sign will be allowed per establishment per street frontage: a. A projecting sign not exceeding 10 square feet, OR b. A flush sign with lettering intended to be read from across the street. On brick surfaces, signs should be mounted with a minimum number of penetrations of the wall.

Secondary Signs. One per establishment per street frontage. A secondary sign is intended to be viewed close-up and consists of: a. Lettering on a door or window which contains only the name and nature of the establishment, hours of operation and other pertinent information. b. A projecting sign not exceeding 2 square feet in area used in conjuntion with a principal flush sign.

(c) Exterior Changes Requiring Approval. Exterior changes within the Northeast Waterfront Historic District shall require a Certificate of Appropriateness pursuant to the provisions of Article 10 when such work requires a city permit. In addition, a Certificate of Appropriateness shall be required for cleaning masonry surfaces with abrasives and/or treatment of such surfaces with waterproofing chemicals. Sandblasting and certain chemical treatments detrimental to older brick will not be approved.

ORDINANCE NO. 180-83

(Lease Amendment)

APPROVING LEASE AMENDMENT BETWEEN THE CITY OF SAN FRANCISCO PORTSMOUTH PLAZA PARKING CORPORATION AND THE CITY AND COUNTY OF SAN FRANCISCO AND THE PARKING AUTHORITY OF THE CITY AND COUNTY OF SAN FRANCISCO RELATING TO THE TERM OF THE LEASE AND USE OF REVENUES.

Be it ordained by the people of the City and County of San Francisco:

Section 1. The Board of Supervisors of the City and County of San Francisco (the 'City') hereby finds and determines that under its Resolution No. 983-59, the City approved form of Agreement (the 'Agreement') between the City of San Francisco Portsmouth Plaza Parking Corporation (the 'Corporation'), Recreation and Park Commission and City relating to the construction of a public parking facility beneath Portsmouth Square, which Agreement required the execution of a lease by the City for the site and operation of the garage and the execution of an indenture to secure payment of principal and interest of $3,000,000 aggregate amount of Portsmouth Plaza Corporation bonds.

Section 2. The City hereby finds and determines all of the issued and outstanding shares of stock of the Corporation are beneficially owned by the City pursuant to a Declaration of Trust, dated as of December 31, 1959, executed by Pacific National Bank of San Francisco (now Security Pacific National Bank), as trustee, by the terms of which, said trustee has declared and acknowledged that it holds all of the issued and outstanding stock of the Corporation in trust for the City.

Section 3. The City hereby finds and determines the Corporation, formed for the purpose of aiding and assisting the City in construction of an off-street parking facility, has constructed the

///

facility under the Agreement dated August 19, 1959, in accordance with the terms and provisions contained therein.

Section 4. The City hereby finds and determines the Corporation is now in possession of and operating the off-street parking facility under a lease (as required under the Agreement) entitled "Portsmouth Square Public Parking Lease" dated March 29, 1960, which was recorded in the office of the Recorder of the City in Volume A106 of Official Records at page 348; and no default now exists under the Lease and Amendments to Lease on the part of either of the parties thereto.

Section 5. The City hereby finds and determines the Corporation has duly authorized and issued its bonds in the principal amount of $3,000,000 under the Indenture dated as of October 1, 1959, between the Corporation and Pacific National Bank of San Francisco (now Security Pacific National Bank), a national banking association, as trustee, which Indenture is now of record in the office of the Recorder of the City in Volume _____ of Official Records at page _____.

Section 6. The City hereby finds and determines the Indenture was subsequently amended on September 25, 1981, to dispose of the Sinking Fund, and a Surplus Fund was substituted therefor to provide for the liabilities of the Corporation theretofore provided in the Sinking Fund.

Section 7. The City hereby finds and determines that the transfer of monies from the Surplus Revenue Fund for the use of the City and the continued operation of the off-street parking facility by the Corporation, as both are provided in the Lease Amendment is in the public interest.

ORDINANCE NO. 181-83

(CHILDREN'S TRUST FUND)

AMENDING THE SAN FRANCISCO ADMINISTRATIVE CODE BY ADDING SECTION 10.117-34 THERETO ESTABLISHING A CHILDREN'S TRUST FUND AND SPECIFYING PURPOSES AND PROCEDURE FOR ADMINISTRATION AND USE OF SAID FUND, IN COMPLIANCE WITH CHAPTER 1399 OF THE STATUTES OF 1982, STATE OF CALIFORNIA.

NOTE: Additions are not underlined; the entire provision is new.

BE IT ORDAINED by the People of the City and County of San Francisco:

SECTION 1. The San Francisco Administrative Code is hereby amended by adding Section 10.117-34 thereof, to read as follows:

SEC. 10.117-34. Children's Trust Fund; Establishment; Purpose; Appropriation; Accrual; Administration; Disbursement.

(a) Establishment of Fund: There is hereby established a special fund to be known and designated as the Children's Trust Fund, into which shall be deposited $4.00 of each fee collected by the Deptartment of Public Health at the time of issuance of any certified copy of a birth certificate to a private applicant, pursuant to Section 10605 of the Health and Safety Code, together with grants, gifts and bequests from private sources to be used for the prevention of child abuse and neglect, any funds appropriated to the County for the fund by the Legislature, and any funds appropriated to the fund by the Board of Supervisors.

(b) Purpose of Fund: This fund is created for the purpose of funding child abuse and neglect prevention and intervention programs operated by private non-profit organizations in accordance with the provisions of Chapter 11 (commencing with Section 18965) of part 6 of Division 9 of the Welfare and Institutions Code.

(c) Appropriation of Monies. The monies in the fund are hereby appropriated exclusively to fund programs which satisfy the purpose for which the fund is created.

(d) Accrual of Monies in Fund: Balances remaining in the Children's Trust fund at the close of any fiscal year shall be deemed to have been appropriated for a specific purpose within the meaning of Section 6.306 of the Charter, and shall be carried forward and accumulated in said fund for the purposes recited herein.

(e) Administration of Program: The Department of Social Services Commission shall:

1) Establish criteria and priorities for determining those organizations which shall receive funding under this program;

2) Prepare and distribute announcements and requests for grant proposals to existing child abuse and neglect prevention programs;

3) Review and evaluate grant proposals and requests of private non-profit organizations to receive funding under this program;

4) Recommend appropriate action on such proposals to the Board of Supervisors;

5) Monitor the implementation of the program(s) approved by the Board of Supervisors for funding under this program in compliance with the provisions of Section 18965, et seq. of the Welfare and Institutions Code.

(f) Disbursements: Disbursements from the Children's

Trust Fund shall be made upon recommendation of the Department of Social Services Commission subject to approval by resolution of the Board of Supervisors.

In order to defray costs resulting from the collection of the additional $4.00 fee, the Registrar of Vital Statistics may retain in the General Fund an amount, not to exceed ten percent (10%) of the additional $4.00 fee (or $0.40 per birth certificate issued). The Registrar shall annually submit evidence to the Budget Analyst and the Board of Supervisors of any such actual additional costs as were incurred in collection of said additional $4.00 fee. These specific costs shall be subject to review by the Budget Analyst, prior to submission for approval by resolution of the Board of Supervisors. This shall be accomplished consistent with the Budget and Fiscal provisions of the City Charter and the Administrative Code which provide for annual review of department revenues and costs. Any amount retained in the General Fund by the Bureau of Records and Statistics for such additional costs but not substantiated by the Budget Analyst and approved by the Board of Supervisors shall also be deposited in the Children's Trust Fund.

APPROPRIATING $201,047 FOR OTHER CONTRACTUAL SERVICES AND SERVICES OF OTHER DEPARTMENTS - PUBLIC WORKS, JUVENILE COURT FOR FY 1982-83; AN EMERGENCY MEASURE.

Be it ordained by the People of the City and County of San Francisco:

Section 1. Funds are hereby appropriated for F/Y 1982-83 as follows:

DEPARTMENT AND NUMBER	SOURCE OF FUNDS AND PURPOSE OF APPROPRIATION	AMOUNT DEBIT	AMOUNT CREDIT
01-001	General Fund		
G.L.491(000026)	Budget Revenue Retained

	Total	$ 201,047	$ 201,047

Section 2. This ordinance is passed as an emergency measure and the Board of Supervisors does hereby declare by the vote by which this ordinance is passed that an actual emergency exists and that this ordinance be made effective forthwith, the nature of the emergency being the preservation of public property, health and safety. On January 24, 1983, a combination of a flash flood, mudslide and high winds caused several large redwood trees to fall into the Ranch's water pump house. This destroyed the entire water system. Also, the access road and a small bridge across Mindego Creek were destroyed. On January 26, a request was made to the Mayor to declare an emergency under Sec. 6.30 of the Administrative Code. As water is vital to health, it was trucked into the school until a leased electric pump was operating successfully. As a result of the flood and mudslide, several large eucalyptus trees were uprooted and destroyed two fences at the tennis courts. These fallen trees are a threat to the safety of the public as well as the property.

Funds are needed for the necessary repairs to eliminate the health and safety hazards resulting from the floods and mudslides.

AMENDING ORDINANCE NO. 105-64 GRANTING CABLE TELEVISION FRANCHISE BY AMENDING SECTION 2 (A) THEREOF, BY PROVIDING PUBLIC ACCESS FOR COMMUNITY VIDEO NEEDS, BY ADDING ADDITIONAL ENTITIES WHO WILL RECEIVE NO COST ACCESS AND CHANGING CONSTRUCTION PLAN.

NOTE: Additions or substitutions are underlined; deletions are indicated by ((double parenthesis)).

BE IT ORDAINED BY THE PEOPLE OF THE CITY AND COUNTY OF SAN FRANCISCO:

Section 1. Ordinance No. 105-64 is hereby amended by amending Section 2.A thereof, to read as follows:

SEC. 2.A. Construction by the Grantee shall be undertaken within the franchise area after December 9, 1978, which will extend cable service to all residential areas of the City and County of San Francisco (hereinafter referred to as the "City"), as per a construction plan developed mutually by the Grantee and the City. Within 30 days from December 21, 1980, the Grantee will make application to the appropriate agencies required and will complete said construction of all residential areas as defined in the construction plan within eight years from the effective date of this ordinance. The residential areas in which the construction plan will be performed are identified by the map attached hereto as Exhibit A. The construction plan is attached hereto as Exhibit B. Exhibit A and Exhibit B are by reference expressly incorporated herein and made a part hereof as though fully set forth herein. Within the designated construction period, the Grantee will submit a detailed report to the Chief Administrative Officer, the Citizens Telecommunications Committee, and the Mayor's Office on a quarterly basis, commencing with the first quarter after the effective date of this ordinance detailing the progress which has been made on the approved construction plan. The Grantee will further submit a plan to the Chief Administrative Officer by December 1 of each year outlining construction plans and schedule for the following year's construction. The Grantee may only deviate from the construction plan with the consent of the Board of Supervisors or its designated authority. Consent is granted to revise the construction plan in accordance with Exhibit C attached hereto. Exhibit C is by reference expressly incorporated herein and made a part hereof as though fully set forth herein.

The Grantee, accepting the provisions of this ordinance will further agree to the following.

1. The system to be constructed will be capable of delivering, as specified by the manufacturer, a minimum band width of 400 MGHz or 52 channels. The system shall further have the capability of two-way transmission.
2. The cable components and ancillary equipment in the existing system will be modified so that the subscriber areas where cable currently exists will receive the same scope of service as indicated above. Throughout the term of the franchise, all new and replacement construction will be accomplished with the then current state-of-the art equipment.
3. For the term of the franchise, regardless of Federal Communication Commission regulations which currently or may in the future limit the franchise fee to a lesser amount, Grantee or its successor will agree to pay the City a 5% franchise fee on gross revenues as defined in Section 9 of Ordinance No. 105-64. The City may renegotiate the fee at its option in the event changes in state law and federal regulations permit higher fees. Higher fees will be [illegible]

on then current franchise fees in other similar jurisdictions. Renegotiation can only be at five year intervals commencing on December 1, 1985. If the City and grantee fail to agree on an increased fee the matter will be decided via arbitrator as outlined in Section 17(c) herein.

4. The Grantee will continue to provide an opportunity for public expression by the continuation of community programming as now available on Cable Channel 6; and public access as now available on Cable Channel 25; and will guarantee the continued operation of the Channel 6 color television studio, and Channel 25 color television studio. properly equipped and supported by trained personnel for the purpose of local, community-oriented programming on both channels. The Grantee shall provide dedicated channels for municipal. ((and)) educational access, and community video, not to exceed two channels of 52 channels, and an additional 10% of any channels in excess of 52 channels. In order to effectuate public access.
